

SYMPHONY OF THE REDWOODS

April 2022 Newsletter

AT LAST! IT'S TIME FOR SOME GOOD NEWS!

At last, we can bring our musicians and our community back together in shared musical experience and camaraderie. We are planning to do just that on June 25th and 26th ! See details below.

We've been working hard these past two years to keep the organization running despite the pandemic and other obstacles. One wonderful thing that came out of these difficult times is our Summer Concerts in the Garden program. This coming year we will present two concerts at the Botanical Gardens on July 31. Come with your blankets, shades, hats, and sweaters to hear not one, but two, fantastic outdoor concerts! Thanks to generous donors, we will once again be able to present these concerts free of charge.

Onward and upward!
